

# Holland Brook, Readington Twp

# Volunteer Tree Planting

Join Raritan Headwaters, RVCC and Readington Township as we restore the stream corridor along the Holland Brook. Trees help keep streambanks from eroding, control flooding, provide habitat for wildlife, maintain cool temperatures for fish, and clean the water.

**May 2nd, 1:30-4pm**

**May 4th, 9-4pm**

**Parking off Dreahook Rd.,  
Readington (0.3 mile south of  
intersection with Johnson Rd.)**

**Bring Gloves & a Shovel**
