Please join family, friends and neighbors to celebrate
the holiday season!

The Peace Light

The Peace Light is a flame that is lit each holiday season from the grotto in Bethlehem where tradition says Jesus was born, and spread like the branches of a huge tree across the world.

If you would like to receive the Peace Light for the holiday season, please bring a transportable long-life candle, lamp or lantern to the Holiday Tree Lighting, to be lit with the Peace Light. Or you can bring a new candle with you to be lit with the Peace Light, extinguish it and re-light it at home as the Peace Light.
