*There will be two phases of this hike. As usual, led by Open Space Advisory Board members, there will be the traditional 3 to 4 mile round trip walk lasting about two hours. Then, those who wish a longer hike experience can keep going, with Readington Recreation Committee members leading a continuation of the trek along the trails of the Lazy Brook Greenway, for an additional 3 miles (90 minutes). Times and distances are approximate. Both segments of this day's event take place on level or moderately rolling terrain. Please specify on the sign-up form which experience you wish, the traditional or the longer version. Maps of the Pleasant Run and Lazy Brook Greenways are at <https://www.readingtontwpnj.gov/recreation-trails-home>.*
