

Donate Your Reusable Bags!

Do you have reusable bags you don't need?

Donate your new or gently used bags.

Please remove any tags and stickers, along with sanitizing the bags before dropping off. See sanitizing guidelines.

Help the environment and those in need.

Readington Township Clean Communities is pleased to announce its partnership with the Flemington Area Food Pantry in collecting reusable bags for food distribution to their patrons. The drop off will be located at the Public Works facility 287 Mountain Rd. behind Pickell Park.

These bags can be dropped off Monday through Friday from 7AM-3PM excluding major holidays. Please visit the Townships website for a list of additional information and items that can be recycled at our facility.

We are in need of your clean, reusable bags that will be reused to aid in the food distribution at the Flemington Area Food Pantry.
