**THE DEPARTMENT OF PUBLIC WORKS SEWER UTILITY DIVISION  
ANNOUNCES UPCOMING SMOKE TESTING**

*UPDATED DATES:  
October 8th thru October 11th*

**The Department of Public Works Sewer Utility division will be conducting smoke testing in the above depicted area's during the week of October 8th thru October 11th. The testing consists of placing NON-TOXIC smoke into the sanitary sewer collection system to help sewer operators find sources of ground water infiltration. Residents in the immediate area will receive further information the day prior to actual testing with safeguards and instructions to follow in the event non-toxic smoke is seen in their vicinity.**

If there are any questions, please direct them to the Department of Public Works at (908) 534-1058.
